(*JMIR Serious Games* 2022;10(4):e44458) doi: [10.2196/44458](https://doi.org/10.2196/44458)

In "Parental Factors Associated With Internet Gaming Disorder Among First-Year High School Students: Longitudinal Study" (*JMIR Serious Games* 2022;10(4): e33806) the authors noted one error.

In the originally published article, the equal contribution note indicating that Rui She and Youmin Zhang contributed equally to the manuscript, was missed and was published as follows:

Rui She^{1,2}, PhD; Youmin Zhang¹, MPH; Xue Yang¹, MPhil, PhD

¹The Jockey Club School of Public Health and Primary Care, Faculty of Medicine, The Chinese University of Hong Kong, Hong Kong, China

²Department of Rehabilitation Sciences, The Hong Kong Polytechnic University, Hong Kong, China

The author metadata has been corrected to include the 'equal contribution' footnote:

Rui She^{1,2}, PhD; Youmin Zhang^{1*}, MPH; Xue Yang¹, MPhil, PhD*

¹The Jockey Club School of Public Health and Primary Care, Faculty of Medicine, The Chinese University of Hong Kong, Hong Kong, China

²Department of Rehabilitation Sciences, The Hong Kong Polytechnic University, Hong Kong, China

**these authors contributed equally*

The correction will appear in the online version of the paper on the JMIR Publications website on December 06, 2022, together with the publication of this correction notice. Because this was made after submission to PubMed, PubMed Central, and other full-text repositories, the corrected article has also been resubmitted to those repositories.

This is a non-peer-reviewed article. Submitted 23.11.22; accepted 25.11.22; published 06.12.22.
