Correction of: <https://games.jmir.org/2025/1/e50326>

(*JMIR Serious Games* 2025;13:e77791) doi: [10.2196/77791](https://doi.org/10.2196/77791)

In “Effects and Acceptability of a 1-Week Home-Based Virtual Reality Training for Supporting the Management of Stress and Anxiety: Randomized Pilot Trial” (*JMIR Serious Games* 2025;13:e50326) the authors noted one error.

In the original article, the affiliation of Giuseppe Riva was incorrectly listed as:

“Applied Technology for Neuro-Psychology Laboratory, IRCCS Italian Auxological Institute, Milan, Italy.”

This has been replaced by:

“Applied Technology for Neuro-Psychology Lab, IRCCS Istituto Auxologico Italiano, Milan, Italy.”

The correction will appear in the online version of the paper on the JMIR Publications website, together with the publication of this correction notice. Because this was made after submission to PubMed, PubMed Central, and other full-text repositories, the corrected article has also been resubmitted to those repositories.

This is a non-peer-reviewed article. Submitted 20.May.2025; accepted 23.May.2025; published 10.Nov.2025.
